ABOUT US

Get Well Clinic Hyderabad, affiliated with Imamia Medics International (IMI), envision a community where all people have access to high quality, affordable and comprehensive health care. Since the foundation of Get Well Clinic in 2003, it has worked towards the goal of confronting socioeconomic barriers that prevent people from getting effective healthcare.

2020 was an unprecedented year for the clinic. The Covid - 19 pandemic became an existential threat for the clinic and its beneficiaries. However, by the blessings of the Holy Ahlul Bayt {AS}, the dedicated administration, the hardworking staff, and the benevolent supporters of the Get Well Clinic remained steadfast in their commitment to alleviate the pains of many. Specialty Health Camps, Ration Pack Distribution Program, Respiratory Relief Program, Sanitization Efforts, First Aid Camps, and the Flood Response were among the many ways in which Get Well Clinic rose to the challenge.

Get well clinic humbly conveys its everlasting gratitude to the donors, supporters, elders, and advisors that always had the best interest of Get Well Clinic in their hearts and minds

GWC Hyderabad annual report highlights many of the key achievements of 2020 during the COVID-19 pandemic
