ANNUAL REPORT

2023 - 2024

Overview

Get Well Charitable Clinic's Annual Report for 2023-2024. This year there has been a significant rise in health care. We have been facing immense challenges from inflation in rising costs of medical supplies and equipment. Nevertheless Get Well has been working hard non-stop in meeting medical requirements and ensuring everyone stays healthy.

Meeting Demand for Quality Care – In 2023-2024, GWCC's centers attended to more patients than previously i.e. increased visits for emergency services, primary care and dental care. In spite of our health centers were impacted by increased costs for staff wages, supplies and medicines, especially in the first half of the year. With our expertise in skilled management and competent staff we managed to balance our budget by meeting all requirements, challenges and deadlines effectively.

New Ways to Care – Innovation is part of GWCC's Health Care strategy; it enables us to intensify efforts to bring about new diverse techniques and counseling to improve the lifestyles and health of patients. We also adhere to the strict guidelines of Imamia Medics International USA in all work procedures.

VISION

To improve the lives of every individual with world class affordable healthcare.

MISSION

All human beings deserve the right to quality health care along with proper medical facilities. Get Well Charitable Clinic is on a mission to work towards this goal and ensure that there is substantial progress year on year; grass root initiatives will form part of the mission to make the lives of the people in Hyderabad better and thereon the whole of India.

KEY STRATEGIES

- To provide quality and compassionate care to patients from all walks of life and mostly to the underprivileged.
- To cater and provide rehabilitation to children and patients with multiple disabilities.
- To ensure special children dignity of life through educational counselling.
- To enhance the quality of the life of disabled children by providing timely health care.
- To create awareness in patients by educating them in preventive healthcare.
- To engage and enhance the community by incorporating a strong link between the local market, providers, employers, employees and the general public through health event camps.
- The positive interactions between the participants and the clinic staff creates a community of healthcare services and building stronger relationships.

FOREWORD

Get Well Charitable Clinic's broader and future vision and programs are aimed at providing maximum Health Care by 2030. Serving to a large population in the cities of Hyderabad and Jalalpur respectively the demand for affordable health care to the under privileged segment is increasing rapidly year upon year. It is for this reason the Founders and the Management has deemed it mandatory to expand and transform GWCC Clinic into a full scale Hospital in the near future.

On behalf of the Founders and the Management team we are grateful for the generous donations made by the honorable donors and we are thankful for their generous grants and acts. It is because of their deep consciousness and dedication for the cause of humanity which has enabled the underprivileged people in the community to avail top class Health Care facilities at negligible or no cost depending on the case of the patient.

Eventually we are immensely grateful to our Get Well family of esteemed Staff and Volunteers whose unconditional support, dedication and commitment has encouraged us with the confidence to explore challenging frontiers in healthcare services. Together, we will continue in making a positive impact on improving people's health lives in the future.

MESSAGE FROM THE MANAGEMENT

It gives us immense pleasure to present to you our Annual Report for the year 2023-2024. Right from the inception Get Well Charitable Clinic had decided to come forward and play a leading role in transforming our Community's Health Care System. Having opened our first main Clinic at Hyderabad on 26th January 2003 and upon extensive research and planning we opened our second branch at Jalapur (UP) in 2022.

Since the past two decades we have been engaged in improvising medical health care to the needy and under privileged within our community. The number of patients benefited from the above mentioned clinics is increasing every year Taking into consideration for our size it is indeed a remarkable achievement. This noble act required the highest degree of dedication, devotion and commitment to the vision and mission of the organization.

We take pride in stating that Get Well Charitable Clinic from time to time organizes Free Health Camps for the benefit of people suffering from various diseases. In these Medical Health Camps, patients were carefully examined by Local and World Class Physicians free of cost. The honorary consultants and volunteers worked selflessly to provide the much-needed support. Our dedicated team of doctors and support staff who have worked tirelessly to provide round-the-clock services and with their continued support we look with hope to work ahead and we are thankful for their partnership.

However, it is also a fact that without the philanthropic support from our Donors it would have been impossible to have met our goals and arrive at the position we are in at present. We firmly believe that all our brothers, sisters and children deserve a quality health care system in which proper and timely medical facilities and services are provided in a affordable and charitable way.

Best wishes,

Naveed Irfan - General Secretary

IMAMIA MEDICS INTERNATIONAL.

At our core, we are a group of people from around the world who have pledged our time and resources to empowering disadvantaged communities world-wide with access to quality healthcare and education.

A registered 501(c)(3) non-profit in the US, IMI also holds Special Consultative Status with the United Nations Economic and Social Council and accreditation by the United Nations Department of Public Information.

We are funded by members and people like you. Our beneficiaries include individuals from all backgrounds without regard to religious affiliation (or lack thereof).

Our Mission Statement

Imamia Medics International (IMI) provides a global platform for Shi'a Muslim health & science professionals for career development as well as the opportunity to offer health education and services to underserved populations globally.

Our Inspiration

IMI's inspiration is derived from the Quranic verse "...And whoso saveth the life of one, it shall be as if he had saved the life of mankind..."(Qu'ran 5:32).

This verse lies at the core of who we are and what we do. Based on this verse, the founders' vision for IMI has been to bring together the intellectual and professional resources of the Shia Muslim community to serve humanity. Simply put, we believe in alleviating suffering and saving lives.

We do this by direct medical services on an ongoing and emergency basis as well as through the empowerment of health professionals globally. So, while we provide medical assistance through clinics or international delegations, we also work simultaneously to train health professionals and students to build local capacity and promote local self sufficiency. The more qualified, quality healthcare providers we can empower locally, the more lives we can all save together.

An important point about who we are and the vision of IMI since our inception is recognizing that though IMI's membership is comprised of Shia Muslims, our services are designed to fulfill our vision of saving lives and serving humanity. Our beneficiaries include individuals from all backgrounds without regard to religious affiliation (or lack thereof).

NARASIMHA RAO & ASSOCIATES

CHARTERED ACCOUNTANTS

INDEPENDENT AUDITORS' REPORT

The Board of Trustees,
Getwell Clinic Charitable Society,
Hyderabad.

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of Getwell Clinic Charitable Society("the Trust"), which comprise of the Balance Sheet as at 31st March, 2024 and the statement of Income and Expenditure for the year ended and a summary of the significant accounting policies and other explanatory information.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Trust as at March 31, 2024, and of its financial performance for the year then ended in accordance with the Accounting Standards issued by the Institute of Chartered Accountants of India (ICAI).

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by the ICAI. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Trust in accordance with the ethical requirements that are relevant to the audit of the financial statements in India, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibility of Board of Trustees for the Financial Statements

Board of Trustees is responsible for the preparation of these financial statements that give a true and fair view of the state of affairs and results of operations of the Trust in accordance with the accounting principles generally accepted in India. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Board of Trustees are responsible for overseeing the Trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Trust or to cease operations, or has no realistic alternative but to do so.

Those Board of Trustees are also responsible for overseeing the Trust's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if,

"AKSHARA" 6-3-609/89, ANANDNAGAR, KHAIRATABAD, HYDERABAD-500 004.
TEL 040-23397899, 23317897 E-mail enrich.hyd@gmail.com
www.nrandassociates.com

individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- 1) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- 2) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Trust's internal control.
- 3) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- 4) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Trust's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Trust to cease to continue as a going concern.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

We report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Trust so far as it appears from our examination of those books.
- c) The Balance Sheet and the Income and Expenditure Account dealt with by this Report are in agreement with the books of account.
